  - c. Learn to receive, organize, assess, and re-package medical supplies
- 2. Volunteer Management**
  - a. Instruct and manage volunteer tasks
  - b. Oversee multiple volunteers at once, answering questions and making decisions as needed
- 3. Medical Category Management**
  - a. Own a specific PWH operational (medical) area
  - b. Assess, organize and improve existing process documents for organization and task work within specified PWH operational area
  - c. Develop new processes and documentation as needed
  - d. Conduct research to become knowledgeable about the medical area
- 4. PWH Program-driven Project**
  - a. Duties as assigned based on the needs of this dynamic organization

## Qualifications:

- Undergraduate, graduate students or recent graduates
- Demonstrated experience leading teams and working well under pressure
- Strong interpersonal skills and ability to interact with a wide range of people
- Excellent oral and written communication skills
- Well-organized, with a demonstrated ability to proactively complete tasks with minimal supervision
- Ability to coordinate and prioritize multiple projects simultaneously
- Passion for the PWH mission

## Commitment & Compensation:

The internship runs from the end of May through mid-August.  
It is a 40 hour work week, including Saturdays in May-June.

This is an **in person** position only.  
A **stipend** will be offered.

PWH is happy to discuss with students looking to fulfill their practicum requirements.
